Mailing Lists

From our library of directories covering the entire country we compile accurate mailing lists which are up-to-date. Wrong addresses not only mean wasted postage, but loss of possible prospects.

Addressing

Our List and Letter Service Department has competent help trained to do addressing quickly, neatly and correctly.

Letters

Letters do reach the right man. They help your salesmen, they secure business from any part of the country and cost but little. These things are accomplished if the letters really look like typewritten work.

Our letters are not the ordinary "form letter". It is difficult to distinguish them from individual typewritten copies.

Mailing

We are equipped to handle every detail of your mailing. The quality of our directories is well known. Our addressing and mailing department gives you the same kind of work.

STREET DIRECTORY

AND GUIDE TO

SUMMER RESIDENCES

COPYRIGHT, 1914, SAMPSON & MURDOCK CO., BOSTON, MASS.

(See also List of Summer Residents)

Giving the location of the Streets, Places, Parks, Squares, etc., and showing what other streets and places run from them, or across them, with the number at which they intersect

From this list, the location of any number on a street, or the location of any public building, can be easily ascertained; as, for instance, wishing to know at what part of Broadway No. 220 is located, you look at Broadway, and find that Gould Street runs from 202, and Park Street from 226, showing that 220 would come on the left, between Gould and Park Streets

When a street crosses another, numbers (or ciphers) are given on both sides; but when it begins or ends at that street, the number is given only on the side at which it intersects. Ciphers are used where no numbers exist

*Indicates streets accepted. **Indicates part of street accepted

There are two kinds of Advertising

That which the Buyer seeks, and that which is thrust upon him.

Both are good

Display advertising ***suggests*** wants and ***creates*** desire. Of its tremendous power many present day successes bear witness.

Reference Advertising steps in when the desire has been created. It shows where the goods can be purchased, and gives information that the buyer wants ***when he wants to buy.***

A Connecting Link

The weakness of display advertising is that often a need is not realised until the ad that suggested it is misplaced or thrown away.

A shrewd buyer usually looks the field over before buying, and where is so logical a place to look as ***in this book***

A Help to You

In your buying, use the lists in this book. If you see a name in ***heavy type*** it is because that concern thought enough of your possible business to make it easy for you to find them. If it says "See page ", you will find there information that will really help you.

Are You Covered?

Have you made it easy for buyers to find you, by putting a bold type listing under every heading where they might look for you or a competitor? Have you put information in the "Selling Section" that will really help a buyer, and point to ***you*** as the one who can serve him best?

If not, make a note to do it in the next edition, and let us tell you ***now*** how little it costs to be ***protected.***

SAMPSON & MURDOCK CO.

14 GREENE STREET - PROVIDENCE, R. I.

LET US

show you how we can increase the efficiency of your mailing compaign by the use of selected, up-to-date lists, bright, attractive literature and facsimile typewritten letters, having all the appearance of the genuine.

DO YOUR

form letters have the personal appeal that brings the business? Why not call up Main 1837 and let Mr. Hawkes talk with you? It stands to reason that a person making a specialty of any line must have some ideas that are worth knowing about.

LETTER WRITING

is an art in itself and few business men can spare the time to compose a form letter which will meet all the exacting requirements necessary for the best success in this line. There are many little details which are easily overlooked, but which go to make the perfect whole, and our List and Letter Service Department is formed for the purpose of attending to just this service.
